Why we do the performance report

It is a report to our community on our performance against our Delivery Program.

CN is required under the Local Government Act s404(5) to provide progress reports on the Delivery Program and Operational Plan at least every six months. Our quarterly performance report details CN's progress on the principal activities detailed in the Delivery Program, *Delivering Newcastle 2040*.

Reporting to our community

The quarterly performance reports, along with the six-monthly performance report and annual report are the key points of accountability between CN and our community.

It is not a report to the Office of Local Government or the NSW Government, it is a report to our community on our performance against our Delivery Program.

Every three months, CN reports on the key activities it has undertaken which contribute to achieving our Delivery Program, *Delivering Newcastle 2040* and in the long term our Community Strategic Plan (CSP), *Newcastle 2040*.

Newcastle 2040 Community Strategic Plan

Newcastle 2040 is a shared community vision, developed as a guide to inform policies and actions throughout the city for the next 10+ years.

To guide us forward, we will focus on four themes that emerged from our shared planning process:

- Liveable
- Sustainable
- Creative
- Achieving Together

These themes work together in harmony to deliver our vision for Newcastle as a place for everyone.

Delivering Newcastle 2040

The Delivery Program is a statement of commitment to the community from our newly elected Council. It translates the community's visions and priorities into clear actions, and is the primary reference point for activities undertaken by Council during its term of office. It allows Council to determine what is achievable over the next four years, what the priorities are, and how programs will be scheduled. The Operational Plan (including annual budget) is CN's action plan for achieving the community's priorities outlined in *Newcastle 2040* and the Delivery Program. An Operational Plan is prepared each year and adopted by Council. It identifies the projects, programs and actions that CN will deliver over a 12-month period commencing from 1 July.
