Exhibition

City of Newcastle is proposing the following traffic or parking amendment:

It is proposed to install No Parking restriction on the eastern side of Mitchell Street Tighes Hill, to restrict on-street parking to one side, keeping the travel lane clear.

The proposed changes are in response to requests from local residents to improve access to driveways and ease travel along the street. Observations of the street have indicated a moderate to high demand of on-street parking occurring on both sides of the road.

The proposed changes will remove all parking on the eastern side for all vehicles. A similar restriction is already in place on Union Street Tighes Hill.
