Exhibition

City of Newcastle is proposing the following traffic or parking amendment:

It is proposed to install 2P (9AM-5PM, Mon-Fri, 9AM-1PM, Sat, Permit Parking Excepted Precinct 15) restrictions along both northern and southern sides of Fleming Street Wickham, between Branch Street and Railway Street.

The proposed changes are in response to a request from a local resident to improve parking availability at this location.

Observations of the area have indicated that on-street parking is frequently occupied by long-term parking which significantly reduces the availability of parking for visitors and residents in the area.

The proposed changes will allow eligible residents to park with a permit and provide a higher rate of parking turnover for the public at the location.

Submissions

Any person, during the specified submission period, may make submissions to the City of Newcastle concerning the proposed traffic or parking amendment. The submissions must specify:

- the reference number TR2023/01147,
- the submitter's name, residential address, contact number; and preferably an email address, and
- whether the submission is in support or objection of the proposal.

Submissions must be made in writing and should be lodged via the [online submission form](#) on City of Newcastle's website.

Alternatively, submissions can be made by mailed to PO Box 489, Newcastle NSW 2300 or delivered in person to the Customer Service Centre at 12 Stewart Avenue, Newcastle West NSW 2302.

All submissions received are considered 'Open Access Information' under the Government Information (Public Access) Act 2009 (GIPA) and therefore may be made available to the public.

Following the closure of the submission period, the proposal and submissions received will be considered by the Newcastle City Traffic Committee at an upcoming meeting.
