

# A Request to Review a Determination

Under *Environmental Planning and Assessment Act 1979*

## This form

Use this form to apply for a review under the *Environmental Planning and Assessment Act* of determination made by Council. The review processes available are:

1. Section 8.2 (1) (a) Review of a determination. The Council must be satisfied that the development is substantially the same development described in the original application. You are advised that when you seek a review under Section 8.2 the whole determination is open for review. If you are dissatisfied with an element of a determination; such as a condition(s) of consent; it is recommended the most appropriate option is to lodge an application to modify the consent under the Environmental Planning and Assessment Act.
2. Section 8.2 (1) (b) Review of a determination of an application for the modification of a development consent.
3. Section 8.2 (1) (c) Review of the rejection of an application. These reviews must be made no later than 14 days after Council has issued its written notice advising the applicant of its decision to reject the application.

With the exception of an application to review the rejection of an application, Reviews:

- Are not available for Complying Development, Designated Development and Development by the Crown or.
- **Must be determined within 6 months of the date of determination of the original application. It is recommended that application be lodged as soon as possible to enable an assessment and determination within the required time frames.**

Failure to complete all relevant sections or provide sufficient information/detail in your application may result in your application being returned or its assessment delayed. **All information must be legible and all payments must be made on lodgement of the application, otherwise your application will not be accepted.**
