For more information call
Newcastle City Council on 4974 2000 or visit
www.epa.nsw.gov.au/recyclingcentres

Visit your Community Recycling Centre today and help build a healthy environment for our future.

Not all household waste can be put in your kerbside bins. Community Recycling Centres offer a **FREE** and **EASY** solution for the disposal of household problem waste such as paints, gas bottles, motor oils, batteries, smoke detectors and fluorescent globes and tubes.

Many of these materials can be reused and recycled if processed correctly. Recycling helps our environment because it saves water, energy and natural resources.

How to recycle other household items:

-  Visit www.cleanout.com.au to find your nearest CleanOut event to safely dispose of your **household chemicals**.
-  Return unwanted or out-dated **medicine** to your local pharmacy for safe disposal.
-  Recycle old **mobile phones** at Australia Post shops or look for the green Mobile Muster drop off bins at your local bank or phone shop.
-  Drop off your **used or empty laser and inkjet printer cartridges** at participating Australia Post, Officeworks, JB Hi-Fi and Cartridge World stores.
-  Go to www.recyclingnearyou.com.au to find where you can drop off TVs, computers or printers for **electronics recycling**.
-  To learn about **green cleaning** in your own home visit www.safersolutions.org.au
-  **Businesses** are not eligible to use the Community Recycling Centres. Visit businessrecycling.com.au to find out how to recycle your business waste.
