

NCC313; Rev. 5

This Statement is a means of providing guidance for suppliers, service providers, contractors and individuals to adopt standards of ethical behaviour that meet Council's requirements.

Council's business dealings are geared to achieve the best possible outcome in the interests of Council and its ratepayers for the supply of goods and services. In doing this, all business undertakings are conducted with complete fairness and are open to public scrutiny (subject to commercial confidentiality).

Council will ensure that all policies, procedures and practices related to tendering, contracting and the purchase of goods and services are consistent with best practice and the highest standards of ethical conduct. All procurement activities and decisions will be fully and clearly documented to provide an effective audit trail and allow for effective review.

Business Principles

Council has four key principles which guide its dealings on procurement/business matters.

Fairness: Council treats all parties involved in an even-handed manner. Potential suppliers or contractors will be given equal access to information and opportunities to submit bids. Tenders will not be called unless there is the intention to award a contract, subject to a satisfactory offer.

Prevention of Corruption: Council is committed to high ethical standards and it is the responsibility of Councillors and staff, as well as Council suppliers and contractors, to not only act honestly but also report any instances of possible corruption, maladministration or illegal activities.

Value-for-Money: Council considers all factors which are relevant to a particular procurement of goods or services. These include initial and ongoing costs; quality and reliability; customer service; OH&S; technical expertise; environmental sustainability and other legislative compliance. Value for money does not necessarily mean 'lowest price'. However, the lowest price might represent best value for money if it satisfies the other criteria.

Objectivity: Council establishes procurement criteria and objectively assesses all tenders and quotes against these nominated criteria. All procurement decisions are based on merit, and take into account all relevant information and circumstances that apply to a given procurement requirement.

Doing Business with Council

Suppliers and contractors shall be aware of the following requirements when dealing with Council.

Conflict of Interest: Conflicts of interest include both pecuniary and non-pecuniary interests. (A pecuniary interest is an interest that a person has in a matter because of the reasonable likelihood or expectation of appreciable financial gain to the person. A non-pecuniary interest may include family relationships, friendships or other interests that do not involve a direct financial gain.) Council staff are required to disclose any potential conflicts of interest. Suppliers and contractors to Council are asked to do the same.

Use of Information: Any confidential Council information should not be revealed to persons other than those with a genuine need and authority. Private, confidential, commercial-in-confidence or proprietary information obtained as result of doing business with Council, should never be given to competing interests or unauthorised persons. Suppliers and contractors handling private and personal information are expected to adhere to Council's Privacy Management Plan.

Gifts and Benefits: Council only permits the acceptance of gifts by Councillors or staff if they are a nominal or token value and do not create a sense of obligation. Suppliers that offer gifts or benefits as a reward for, or perceived as influencing, the purchasing decisions of Council staff will not be tolerated. Failure to comply with this requirement will result in Council ceasing to do business with the supplier.

Use of Council's Resources: Suppliers and contractors may only use Council resources and equipment if it is in accordance with specific conditions of a formal contract.

Employment of Council Staff: All suppliers and contractors who deal with Council are not permitted to offer Council staff outside employment or business proposals of any kind. Council staff have a duty to maintain public trust and confidence, and not use commercially sensitive information to facilitate future employment opportunities in the private sector.

Public Comments: Suppliers and contractors must not make any public comments or statements that would lead anyone to believe that are representing Council, or expressing its views or policies.

Canvassing Support: During a tender process, any prospective supplier or contractor shall not directly or indirectly discuss their tender bid with a Councillor, or canvass support from an employee of Council, at any time. Any supplier or contractor involved in such activity will result in their tender being rejected.

Modern Slavery: Suppliers and contractors must comply with the requirements under the Modern Slavery Amendment Act 2021 (Cth) and all related legislation including the Modern Slavery Act 2018 (NSW). Council will not participate in any procurement with a supplier or contractor that is found to be engaging in modern slavery.

Complying with this Statement

By complying with the principles and standards of behaviour outlined in this Statement, all parties will be able to advance their objectives and interests in a fair and ethical manner. Failure to comply with this Statement may be deemed as a breach of contract. Council may terminate its contract or take other actions considered appropriate.
