## Statement of fees and charges

Under Section 608 of the Act, CN may charge and recover an approved fee for any service it provides, other than a service proposed or provided on an annual basis which is covered by an annual charge (Sections 496 and 501).

Services for which CN may charge a fee include:

Supply of services and products

Giving information

Providing a service in connection with the exercise of CN's regulatory function (eg applications, inspections, certificates)

Allowing admission to buildings.

Fees and Charges made under Section 608 of the Act are classified according to the following pricing basis:

<b>Full Cost Recovery (F)</b>	CN recovers all direct and indirect costs of the service (including depreciation of assets employed).
<b>Partial cost Recovery (P)</b>	CN recovers less than the Full Cost. The reasons for this may include community service obligations and legislative limits.
<b>Statutory Requirements (S)</b>	Price of the service is determined by Legislation.
<b>Market Pricing (M)</b>	The price of the service is determined by examining alternative prices of surrounding service providers.
<b>Zero Cost (Z)</b>	Some services may be provided free of charge and the whole cost determined as a community service obligation.
<b>Rate of Return (R)</b>	This would include Full Cost Recovery as defined above in addition to a profit margin to factor in a return to CN for assets employed. CN's policy for determining fees to be charged is that all CN fees and charges not subject to statutory control are to be reviewed on an annual basis, prior to finalisation of the annual operating budget.

In applying the above pricing basis to fees made under Section 608 of the Act, CN considers the following factors as outlined in Section 610D of the Act:

The cost to CN of providing the service – the Full Cost Recovery method is used as a benchmark in this instance. This includes any debt and servicing costs, depreciation and maintenance associated with the provision of the service

The price suggested for that service by a relevant industry body or in a schedule of charges published, from time to time by the Division of Local Government

The importance of the service to the community – this is considered in determining any potential community service obligations or community benefit particularly under a Partial Cost Recovery or Zero Cost method

Any factors specified in the Local Government (General) Regulation 2005 or other applicable legislation

Other factors not specifically mentioned under Section 610D of the Act that may also be considered include:

- if services are being supplied on a commercial basis as part of a defined CN business
- the capacity of the user to pay
- market prices.

All fees and charges not included in the Division 81 GST free schedule will attract GST at the current rate of 10%. CN's 2022-2023 Fees and Charges document is bound as a separate report.

## Established categories for reduction or waiving of fees

Section 610E of the Act allows CN to waive payment of or reduce a fee in a particular case if it is satisfied that the case falls within a category of hardship or any other category that CN has determined.

CN has determined that fees may be waived or reduced in the following categories:

<b>Category one - financial hardship</b>	<p>CN may reduce or waive fees in cases where the applicant provides evidence that the payment of the fee will impose significant financial hardship.</p> <p>In determining eligibility on the basis of significant hardship, CN will:</p> <ol style="list-style-type: none"><li>1. Apply the criteria used by Services Australia (Centrelink); and</li><li>2. Require the applicant to provide reasonable proof of financial hardship which may include details of assets, income and living expenses, and such other information required to make a valid assessment.</li></ol>
<b>Category two - charity</b>	<p>CN may reduce or waive fees in where the applicant is a registered charity and the fee is for a service that will enable the provision of charitable services to CN's community.</p>
<b>Category three - illness or death</b>	<p>CN may reduce or waive fees in cases where the applicant provides evidence that the charge was incurred because of:</p> <ol style="list-style-type: none"><li>1. Serious illness of a customer or the customer's immediate family member;</li><li>2. Serious accident involving the customer or the customer's immediate family member;</li><li>3. Death of a customer or the customer's immediate family member; and in determining eligibility on the basis of illness or death, CN will require the customer to present:<ol style="list-style-type: none"><li>1. Medical certificate; or</li><li>2. Statutory declaration.</li></ol></li></ol>
<b>Category four - Large Commercial Waste Operators</b>	<p>CN may reduce fees for Commercial Customers that have committed to dispose (at SWMC) either:</p> <ul style="list-style-type: none"><li>• &gt; 5,000 tonnes per annum of soil classified as General Solid Waste; or</li><li>• &gt; 15,000 tonnes per annum of mixed General Solid Waste</li></ul>

## Civic Theatre

Venue Hire for Live Performance is charged at the published hire rate, or 11.5% of the net box office, whichever is greater.

Venue Hire fees for Live Performance events do not include staff. An Entertainment Industry Service Fee is charged at the rate determined by Live Performance Australia.

Ground Floor Lounge Bar & Foyer, First Floor Promenade Room & Balcony & Promenade Foyer may be hired independently from the theatre. Hire rates provide for the usual, existing setup, and do not include AV or staff.

Shared access rates are subject to availability, and are applicable only when there are multiple bookings occurring on one day.

Our Dance School package includes 6.5 hours of occupancy and staffing for rehearsal, plus 6 hours of occupancy and staffing for performance, standard in-house lighting, sound, staging and AV equipment, broadcast allowance, Industry Service Fee, and St Johns Ambulance. Package is only available for Sunday - Thursday performances and rehearsals. The Dance School Package document provides more details.

A surcharge of \$500 per performance applies where a Live Performance booking has no interval or a significant restriction is otherwise placed on the venues usual ability to generate revenue from the theatre bar. This does not apply to childrens shows.

An additional cleaning fee will be charged when post show cleaning cannot be completed in the usual time, for instance if there is use of glitter or confetti.

Maximum backstage capacities apply and additional venue hire fees will be applicable for additional spaces required.
