

Sponsorship

Commercial agreements in exchange for a benefit(s). Sponsorship is not philanthropic with the sponsor expecting a benefit (return on investment) as agreed in a Sponsorship Agreement. May include improvement in the quality of life for the community from Activities meeting identified needs.

Grants

Financial support provided to applicants for an Activity. A Grant seeks a nominal return on investment from the benefits provided the community. Benefits may include improvement in the quality of life for the community from Activities meeting identified needs.

Grants and Sponsorship Programs – Which should I apply for?

Use the flowchart below to determine which funding you may be eligible for.
