

# Driveway Line Marking Application

City of Newcastle (CN) can install driveway line markings **0.5 metres** either side of the driveway if you are experiencing encroachments on access to your property. The lines are not legally enforceable but have been shown to be effective at reducing the occurrence of driveway encroachment. The line marking is in accordance with Sections 138, 142 and 218 of the Roads Act 1993.

The applicable charge for lines on either side of the driveway is **\$140.00** (inclusive of GST). An application is only available for a CN-approved driveway. The driveway linemarking would apply for 10 years from the date of installation and if Council undertakes any road rehabilitation works within this period, the lines will be remarked at no additional cost to you.
