# Get it right on bin night

Using and placing your bins correctly will help ensure that our collection trucks can service them

Don't place bins under low-hanging power lines or trees  
Our trucks need to lift your bins up high to tip them

Try to space bins one metre apart  
This helps our truck's lifting arm to reach your bins

Place bins away from parked cars

Place bins away from poles

Put bins on kerb by 5am on your collection day

Don't overload. Our trucks can't lift bins that are too heavy

Don't contaminate. Only put accepted wastes in each bin

Don't cram. Your bin won't empty if it's packed too tightly

**General Waste**  
(red lid)

**Recycling**  
(yellow lid)

**Garden Organics**  
(green lid)
