PURPOSE

To provide an update to Council on the results of the Revitalising Newcastle community engagement which was undertaken by UrbanGrowth NSW in partnership with Newcastle City Council throughout September and October 2015.

Michael Cassel, UrbanGrowth NSW Program Director and Dianne Knott, UrbanGrowth NSW Community Engagement Manager will present the findings.

BACKGROUND

The consideration of the community engagement plan is an action of the Memorandum of Understanding between UrbanGrowth NSW and Council. Council endorsed the community engagement plan for the Newcastle Urban Transformation and Transport Plan at the 28 July 2015 Ordinary Council meeting. That engagement plan outlined the approach to gathering representative community views through the engagement process and the subsequent consideration of community engagement reports.

RECOMMENDATION

The briefing be received.
