*Evie and Pog: Take off* is a good story because you do not know that there is a third book.  
I really liked it.  
The only bad part is that you cannot put it down.

In the bestselling tradition of Ella and Olivia, comes the first book in a new series for early readers about best friends, Evie and Pog.

High in a tree house live two very best friends. One is a girl, and one is a dog. And everyone knows them as Evie and Pog.

Evie is six years old. She likes knitting and jumping and books and cake.

Pog is a pug. He is two and likes to drink tea and read the newspaper.

Evie and Pog also love to have fun! Join them as they take off on three happy adventures - Puppy School Mess, School Play Drama and Cake Stall Chaos.
