By Fiona Hardy

Reviewed by Julie

Hayley Whelan has spent her whole life dreaming of making a horror movie. This is what happens when she tries to bring her movie vision to the big screen over the summer holidays with just five friends. Friendships are tested, and it seems that someone is trying to sabotage the movie. Will it be finished in time for the release party!

This is a delightful heart-warming contemporary read. The characters were well developed and there are some good laughs thrown in as well.

The story concludes with a quite comprehensive list of recommended family movies.
