

On-Street (temporary) Parking Application Form

This permit allows the permit holder to park for longer than the signposted parking restriction on the roadway (ie. 15 Min, 1 hour, 2 hours, Loading Zone, etc), in accordance with the Local Government Act 1989 and the Roads Act 1993.

The permit cannot be used to park in a No Stopping or No Parking zone. The issue of a permit does not guarantee availability of on-street parking spaces for the required day. The applicant may need to reserve the parking spaces by the placement of traffic cones or by arranging with businesses/clients on the day.

Applications should be submitted at least 4 business days before the required date. Full details of CN's Fees and Charges can be found on our website [here](#)
