## Exhibition

City of Newcastle is proposing the following traffic or parking amendment:

It is proposed to relocate the existing loading zone on the east side of Beaumont Street 10m prior to the Denison Street intersection.

The proposed changes are in response to ongoing issues of unloading occurring in the bus zone, preventing safe operation of bus services and traffic movement.

The bus stop fronting No.145B will be combined with the bus stop fronting No.131. The existing bus zone fronting No.131 will be adjusted to a full-time bus zone, to match current bus schedules.

The changes will reduce bus zone and loading zone conflicts, improving road safety. Parallel parking spaces will be formalised.
