City of Newcastle is proposing the following traffic or parking amendment:

City of Newcastle is proposing the following parking amendment:

It is proposed to remove existing No Parking restriction and install 1/4P time restricted parking fronting No.71 Cowper Street Wallsend.

Existing No Parking restriction was installed around historic driveways which have been removed after completion of recent kerb, gutter, and footpath works at the location.

The proposed installation of three 1/4P spaces is in response to a request from local businesses and aims to improve parking availability in Cowper Street.

The proposed changes will provide an additional three parking spaces with a higher turnover rate, improving parking availability for the public and improving conditions for pick-up/drop-off activity in the area.
